

All About Harvest...

We are a young church, established in March 2004. We are currently worshipping at 8699 Boradway in Merrillville. We strive to have a blended worship service combining keyboard, guitar, traditional hymns, southern gospel, and contemporary choruses. As our church continues to grow, we are seeking to minister to the community around us.

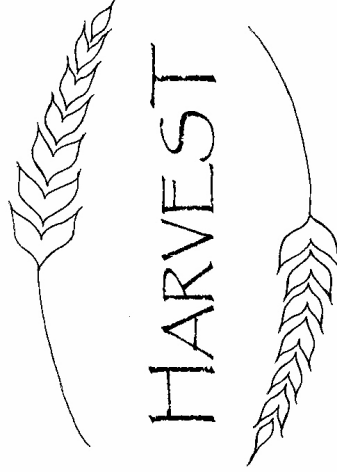

We currently have childcare for birth through 3rd grade during the morning worship service, and AWANA and youth programs on Sunday nights.

We are looking forward to God continuing to add to our numbers weekly and pray that He would begin to bring individuals seeking guidance into our congregation. God has certainly shown Himself in our formation, and we pray that we will continue to seek His guidance and will for the future of Harvest.

We'd love to see you Sunday!

A Word from the Staff

We at Harvest would like to invite you to join with us on Sundays so we can worship the Lord together. Harvest may seem casual in appearance - enjoying Starbucks, and having fun with each other, but we have a high commitment to the Word of God, prayer, and to reaching the world with the good news of Jesus Christ.

Harvest is a three year old church with several different ministries. On Sunday mornings Harvest has a nursery, adult Small Group and children's classes that are age specific, children's church, a special children's message, and a teen class. Plus on Sunday night Harvest has a prayer meeting for the adults, and children and teen studies.

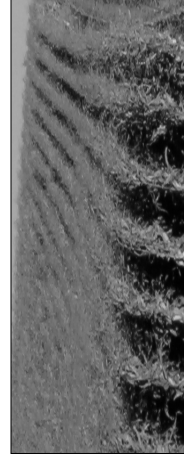

God has been doing incredible things at Harvest. God has blessed as our church has grown in numbers and into a closer walk with Jesus.

We have seen lives transformed and many people stepping up into new service roles.

God has placed Harvest in the center of Merrillville and we have been actively serving in the community with a hospital ministry, community picnic, food baskets, kids clubs, and more. We currently meet at 8699 Broadway at 10:35 every Sunday morning and would love for you to join us.

If you are looking for a church where you can meet with God, begin or grow in your personal relationship with Jesus Christ, and have opportunities to serve and to put your faith into practice, then Harvest is the place for you! We can't wait to meet you!
